National Plastics & Seals (NPS) recently celebrated its 30th year in business as a leading distributor of plastic sheet, rod and tube profile, heat shrink tubing, insulation sleeving, o-rings, and molded products. During that time, NPS built a strong industry reputation as a top supplier of fabricated and machined plastic components.

On October 21, 2015, the Management Team of National Plastics & Seals announced the purchase of Innovative Acrylic Design (IAD), located in McHenry, IL. Throughout the industry, IAD is well known for its custom design, fabrication, and manufacturing of plastic displays.

The acquisition of IAD allows National Plastics & Seals the ability to offer its customers, customized professional guidance from design stage, thru prototyping, to production start up of any fabricated plastic component. The combined National Plastics & Seals and IAD is now the "one stop" source for plastic fabrication: Design Input, Prototyping and Production.

National Plastics & Seals continues to reinvest capital into the business to strengthen its ability to meet the needs of customers in the plastics marketplace. Some of these investments include the : Hire of new personnel, upgrade to new business computer software, ISO 9001 Certification, Purchase of various CNC equipment and Purchase of a modern expanded headquarters/building.

National Plastics & Seals is based in Schaumburg, IL.

Phone number is 847-438-1900.
